- Career Talks with professionals from other branches

Academic Staff Development Teaching

First time(s) teaching

- Expert consultations and practical peer consultations
- Workshops, e.g.:
 - “Fit for teaching” (in German or English)
 - Ready. Set, Teach - How To Plan Your Course With Ease
 - Counselling students and supporting their learning process
 - Gender- und diversitätssensible Didaktik

Advanced teaching

- Counselling/consultations and expert teaching observations
- Workshops, e.g.:
 - Sprechen und Auftreten - Praktisches Performance Training für Lehrende
 - Sinnvolle Multiple-Choice-Prüfungen entwickeln
 - Zeit- und Selbstmanagement für die Lehre

Generated with AI

Teaching as one aspect of career planning

- Structured evidence of teaching competencies
 - Baden-Württemberg Certificate for Teaching and Learning at University Level
 - Workshop “Fit for teaching”
- Teaching portfolio/teaching statement
 - Collect experiences and evaluations
 - Workshop to craft your own portfolio
- Counselling for teaching elements in appointment processes

Equal Opportunities Office

Towards an Open and Inclusive University Culture

<https://www.uni-konstanz.de/en/equalopportunities/>

Gender Equality

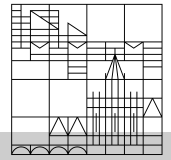

- Konstanzia Fellowship for female Postdocs: Mentoring, coaching, co-funding
- Konstanzia Duo for female junior professors and group leaders: Tandem with experienced professor

Family Support

- Flexible Working Conditions: Student assistant for postdocs with caring/family responsibilities
- Flexible childcare „Plan B“: Childcare in emergencies, on Saturdays, during holidays and events

Diversity

- Diversity Pool: Means for adjustments, raising competencies and invitation of guest researchers with special needs

Consultation Service for Researchers at the University of Konstanz

The Outgoing Centre provides our (post-)doctoral researchers and professors as well as their families with a single place to address all the questions that arise as they plan, prepare for and carry out a research stay abroad. Our services cover a wide range of nonacademic matters that impact the everyday life of researchers in new surroundings.

The consultation services include

- Safety advice and preventative health measures
- Secondments
- Applying for visas, work permits
- Health insurance
- Childcare, enrolling in school
- Finding housing
- Withdrawing cash, opening a bank account
- Telephone and internet access
- Infrastructure and driving licences

On the homepage you can find country-specific information on the following countries and regions:

- USA
- Canada
- Japan
- China
- Australia/New Zealand
- Middle East (specific countries)
- Africa (specific countries)
- South America (specific countries)
