The Eurokonstantia

Finally we are back! After two years without our beloved Eurokonstantia due to Covid19, we are pleased to welcome participants from around the world to the shores of Lake Constance again. Since 2006 we are in a friendly competition with partner tournaments like the "EuroMilano" in Milan, the "EuroEsade" in Barcelona or the "Beirut Unisports Festival" in Beirut.

According to our motto "*The better way to play*", we try to host the UniSport events here in Southern Germany again this year with our familiar standards:

- ◆ We pay particular attention to the organization of the tournaments and the improved security and especially environment standards.
- ◆ Sure, the side events and fun tournaments are not forgotten.
- ◆ As a tournament with an international focus one of our main goals is to expand the cross-cultural integration beyond political, religious or sexual prejudices.

Sportevents

Many teams have a long journey which is associated with high costs. In order to enjoy the tournament to the fullest we offer you following guarantees:

- ◆ A tournament will only be held if at least four teams have registered in the relevant sports. If this is not the case, the affected teams will be notified and will get their entry fees reimbursed completely or on request may travel for a reduced fee as guests and experience the SideEvents and the atmosphere!
- ◆ Depending on the game mode we guarantee at least four games for each team. If this is due to our fault not the case, the team will get the entry fees refunded.
- ◆ To avoid disagreements, official referees will be there appointed from the quarterfinals.

Basketball (mixed)

Beachvolleyball (mixed)

greenANDclean

With our "greenAndclean competitions" we want to involve sustainable issues at the Eurokonstantia, thus making the sports fest greener. This means that we are fighting TOGETHER WITH YOU against rubbish and the wasting of food and packaging at our tournament!

We count with you that it is in the interest of all of us to make the Eurokonstantia more sustainable and, above all, to ban disposable items from the sports grounds! No deposit, no entry!

SideEvents

On Thursday evening you can represent your university during the **WelcomeNight** and you dance the first night under the light of the stars. In addition to the popular **PartyNight** on Friday with local and international DJs, we will also follow up on the very successful **ClubNight** after the **AwardCeremony**.

Between the games there will be enough time to visit the old town of Konstanz and to go for shopping. You can also have a sneak trip with uniVenture: High Rope Course, SUP, canoe or canadiers ...

Catering

Central point for everybody is the **event&relaxation area**. On Friday, Saturday and Sunday breakfast buffet for all participants will be offered there as usual. On Thursday, Friday and Saturday evening you can go there for dinner (not included) or just relax.

Our Rothaus-bar is open daily from 10:00 am. Other external catering partners or food trucks (halal meat, vegetarian, vegan) will be there at the event site during daytime and evening and ensure your physical well-being.
