Studienleistung (StL)

- are smaller pieces of work, e.g. oral presentations
- are awarded less ECTS, **usually not graded**
- may be repeated numerous times if necessary

Prüfungsleistung (PL)

- bigger pieces of work, e.g. written exams, papers (12-25 pages, dep. study level)
- awarded more ECTS than StL alone
- graded (count towards degree mark)
- may only be repeated once

Options:

- a) Do only StL → less ECTS
 - b) Do StL + PL → more ECTS AND always a grade
- It is **not** possible to only do the PL!

The difference between StL and PL is mainly important for degree-seeking students, to exchange students it is only important with respect to the number of ECTS points and grades awarded.

5. Receiving your grades

You are successfully registered for participation in all the courses you would like to take? Congratulations!

You completed **step 1** out of 2...

What is **step 2**?

This is mandatory to receive your ECTS!

5. Receiving your grades

Choosing courses part 2: exam/ECTS registration

The Faculty of Humanities and Language Institute share their registration deadlines

Winter Semester **1st December – 15th January**

Summer semester 1st May – 15th June

Exception

For course codes starting with **EDU** you are automatically registered for the exam/ECTS when you register for participation. You will have to de-register actively until 14 days after the start date the latest, otherwise this course will show as „failed“ on your transcript of records.

5. Receiving your grades

Choosing courses part 2: exam/ECTS registration

Taking courses in other faculties?

The registration formalities and deadlines might be different for both registration for participation AND exam/ECTS registration!

1. Attend their info sessions during GO-Konstanz.

2. Consult this website for exam registration deadlines in all the departments:

https://en.zeus-wiki.uni-konstanz.de/wiki/ZEuS_Stud_Prüf_AnmeldeZeiträume/ZEuS

3. Get in touch with the relevant departmental exchange coordinators if you are unsure:

<https://www.uni-konstanz.de/en/international-office/study-abroad/study-abroad/erasmus/erasmus-departmental-coordinators/>

5. Receiving your grades

Choosing courses part 2: exam/ECTS registration

✕
You have to register for every course that you would like to see included in your transcript of records –

no matter how many ECTS and what kind of assessment you intend to complete for a course.

In the majority of courses
students have to complete *Studien-*
as well as *Prüfungsleistungen*.

Regardless of the form of assessment: **Attendance is mandatory in all courses!** Usually, you are allowed to miss a maximum of 2 sessions per course. If you are absent more than 2 times* you cannot receive ECTS for the course.

*in case of sickness: contact lecturer in advance, hand in medical certificate.

5. Receiving your grades

Choosing courses part 2: exam/ECTS registration

Please note

Not all courses are graded!

Especially courses worth 3 ECTS points are usually only awarded a 'pass' or 'fail' (details will be communicated in the first session of each course).

If you need grades for all of your courses, **speak to your lecturers** and ask whether they would be able to grade your StL.

Do so at the beginning of the semester and before the exam/ECTS registration!

5. Receiving your grades

Choosing courses part 2: exam/ECTS registration

Please be aware that:

- lecturers will announce the deadline for the assessments/papers for their courses. Usually deadlines for end-of-term-papers are during the lecture-free period following the lecture period.
 → Of course you can write and hand them in earlier!
- grading usually takes place during the lecture-free period (mid February – end of April and end of July – beginning of October), you may negotiate a fast-track correction if needed. However, you have to do so **well in advance** before handing in your work!
- lecturers need a reasonable amount of time to mark/grade the work of all their students, if you need your grade early, you also have to hand in your work **early**.
- Informing lecturers about the need of a fast-track correction also goes for exams.

To sum it all up:

The magic word is...

...*before!*

Not only when speaking to your lecturers about assessment modalities, but also in case you have **problems with exam/ECTS registration**.

→ Contact us **before** the registration deadline (15 June) has passed. After this date it is not possible to register for exams/ECTS, you will not receive ECTS for the missing courses.

8. Absences / Illness

Please be aware that:

- Not showing up to an exam/not handing in a paper without explanation will result in a fail for the respective course

 - A failed assessment (*Prüfungsleistung*) can be repeated once, this date is usually scheduled sometime at the end of the lecture-free period

- There will only be one date for repeat-exams per course
