

“Tell your story: yes, tell your story! Give your example.
Tell everyone that it’s possible, and other people will then have the courage
to face their own mountains.”

Paulo Coelho

Tell me Your Math Story!

Inspiring Speed Talks in Algebra, Analysis, Optimisation and Number Theory

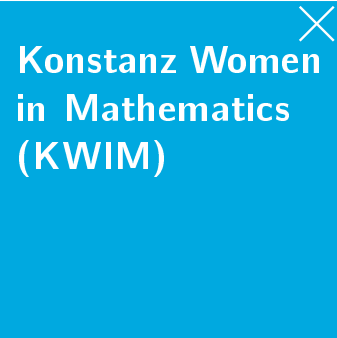

Wednesday, Dec 6th 2023, 9:00AM in D436

KWIM colleagues from the Department of Mathematics and Statistics showcase their research in brief engaging speed-talks. Discover more about their work and find inspiration.

Following the speed talks, there will be an opportunity for questions and discussions over refreshments and snacks. Don't miss the chance to delve into the exciting world of mathematical and statistical research!

All Math Students are very welcome to attend.
