ELTE University Library Network

konyvtar.elte.hu

- Central University Library founded in 1561
- 8th century Beda fragment
- 185 codices, 1,150 incunabula, 2,600 old printed Hungarian books
- 2 million titles, over 200,000 journals, 600 online periodicals, and 100 online databases
- e-text archives, online copies of printed documents, electronic-only materials and CD-ROMs

The image shows the interior of a large, modern conservatory. The structure is made of a complex metal framework supporting a glass roof and walls. A large pond is the central feature, filled with water and floating lily pads. Several large, vibrant green plants with long, narrow leaves are in the foreground. In the background, more plants are visible on raised beds. The lighting is bright, suggesting a sunny day outside. The overall atmosphere is lush and green.

ELTE
Botanical Garden
www.fuveszkert.org

- First botanical garden in Hungary (founded in 1771)
- National nature reserve since 1960
- About 7,000 species and variations of plants

Eötvös Art Ensemble

www.zene.elte.hu

- The first choir and university orchestra in higher education in Hungary
- Three amateur groups (University Orchestra, Béla Bartók University Choir, and ELTE Folk Dance Group) on over forty international tours
- Repertoire includes works of Hungarian composers, folk dance traditions of Hungarians and other cultures from the Carpathian Basin

The image is a composite. The top half shows a white, modern building with a flat roof, partially obscured by lush green trees and a weeping willow. A body of water is in the foreground. The bottom half shows two people in a wooden rowing boat on a river, with green foliage in the foreground.
