Erasmus+ Blended Intensive Programmes

Programme line to fund jointly developed and offered teaching/learning projects (new in Erasmus+ programme generation 2021-2027)

- Discipline-specifically tailored projects (e.g. seminars) for **Students and Staff that have to include**
 - A **compulsory virtual component** (no further conditions defined) and
 - A **physical mobility period of 5-30 days** (meeting of all learners of the participating HEIs)
- Funding of the project through the coordinating institution, funding of mobile participants through the sending institutions, participating in the project

Erasmus+ Blended Intensive Programmes

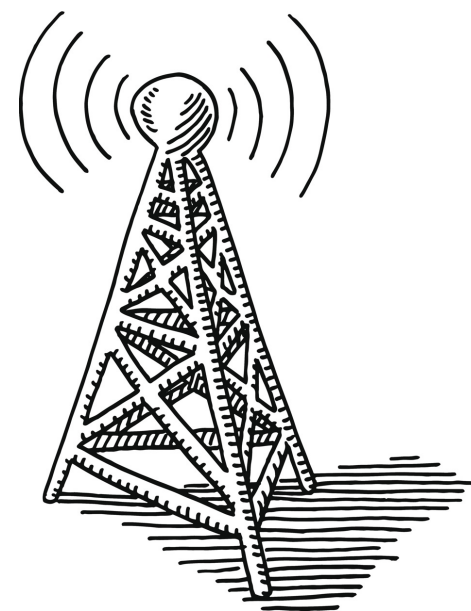

Funding criteria for the project as such

- Cooperation of at least **3 European HEIs** (holders of an Erasmus+ charter) from at least **3 different programme countries**
- Development of an innovative teaching/learning event **for students and/or staff** that will
- Meet for a **physical learning period of 5-30 days in one of the countries the organising HEIs are located in.**
- During the on-site meeting, **at least 15 mobile learners** have to be present, these may be students (BA/MA/PhD) or staff (from any unit of an institution)
→ Teaching staff within the project/seminar does not count towards the number of mobile learners
- All participants have to **be awarded at least 3 ECTS** for their participation and possible assignments/assessments (students) and these should be **recognised** (either curricular or as extra-curricular additional study) at their home institutions.
